

Kiwi Report

The Kiwi Coast is interested in hearing about kiwi seen or heard between the kiwi strongholds of Whangarei Heads and Tutukaka. Key areas of interest include:

- Owhiwa
- Whareora
- Taheke
- Horahora
- Pataua
- Glenbervie
- Marua

The call of a male kiwi is a repetitive (8-25 notes) whistle that increases in pitch.

The call of the female kiwi is a repetitive (10-20 notes) coarse rasp.

If you are unsure about what you have heard check the Kiwi Coast website at www.kiwicoast.org.nz

Date _____
