

2019 Northland Pest Control Wānanga

Sunday 30 June 9:30am – 4pm
Venue: Akerama Marae, 19 Haile Road, Towai

Partners Kiwi Coast and Northland Regional Council are working together to bring you this years Northland Pest Control Workshop.

Come along to this wānanga/workshop to find out about new and exciting initiatives to support landscape scale pest control throughout Northland, see demonstrations of new and innovative pest control traps, tools and technology, and network with groups and projects from all over the Kiwi Coast!

Spaces are limited. Please register using the online form at https://mailchi.mp/54d649d49c3c/2019_pestworkshop
