Nga mihi nui

to Pest Control in School Environments

Eden Hakaraia

What is Enviroschools?

Enviroschools is a kaupapa
Discovering ways to live where our economy and society support the natural systems that give us life.

Enviroschools is a programme
Assisting young people to plan, design and implement sustainable community actions.

Enviroschools is a movement for change
Growing a generation of innovative and motivated young people who instinctively think and act sustainably.

Toi tū te whenua, toi tū te tangata ki te whei ao ki to ao mārama

Sustain the land, sustain the people into the future

Northland REGIONAL COUNCIL

Eden Hakaraia
Enviroschools Facilitator

Guiding, motivating and supporting schools to develop their Enviroschools journey:

- Introduce the Enviroschools kaupapa
- Support the school to plan, implement and evaluate sustainability learning and action
- Highlight links to local programmes, resources, events, professional development
- Work collaboratively with other agencies
- Maintain regular communication
- Assist the school's data gathering, annual review/reflection processes and goal setting

Ka tupu ake ka puawai i te taiao ma nga tamariki mokopuna ki nga ra kei te heke mai

If children are immersed and nourished in the environment, they will ensure its survival

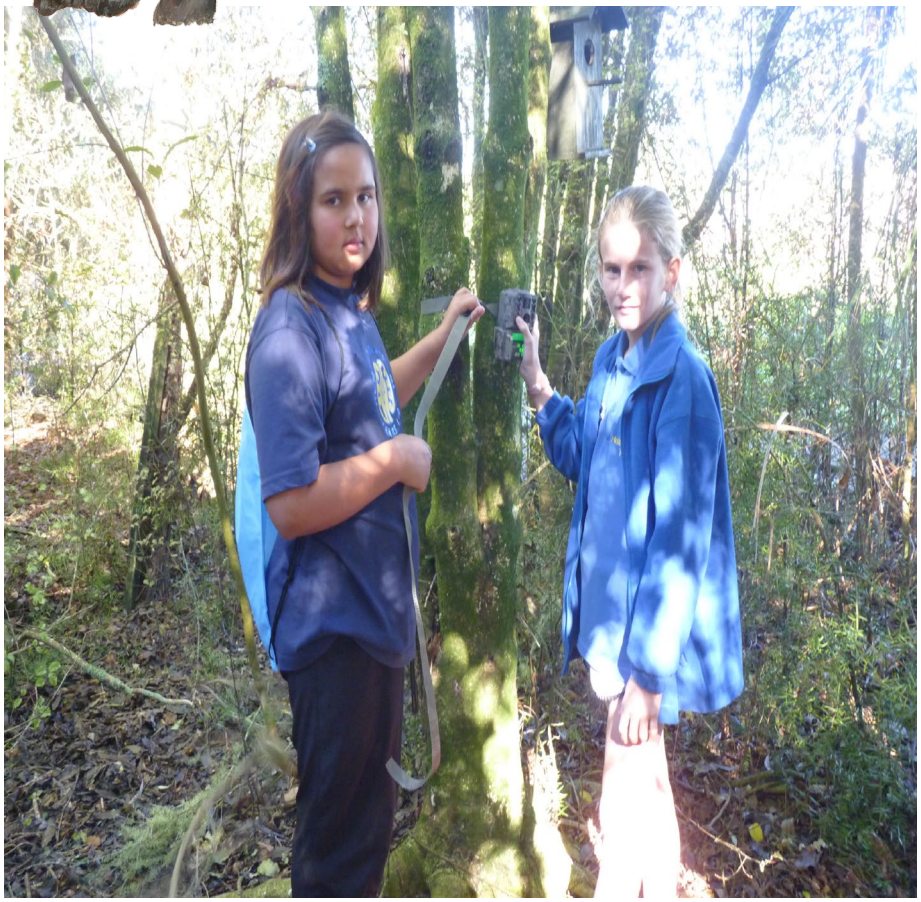
Hukerenui School – ELF Traps

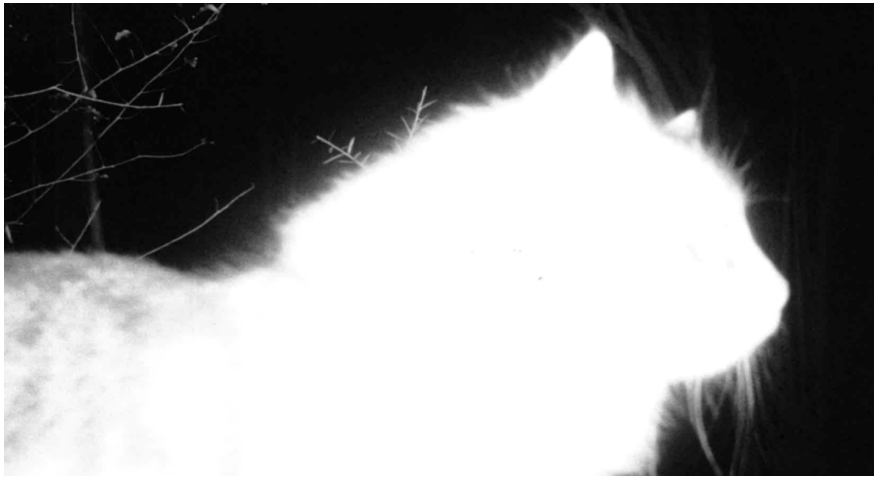
- Receiving our ELF Traps from Northland Regional Council Joce Yeoman.
- We received 5 Timms, 5 rat traps. and a trail camera.
- Thanks NRC

Setting the Night Camera

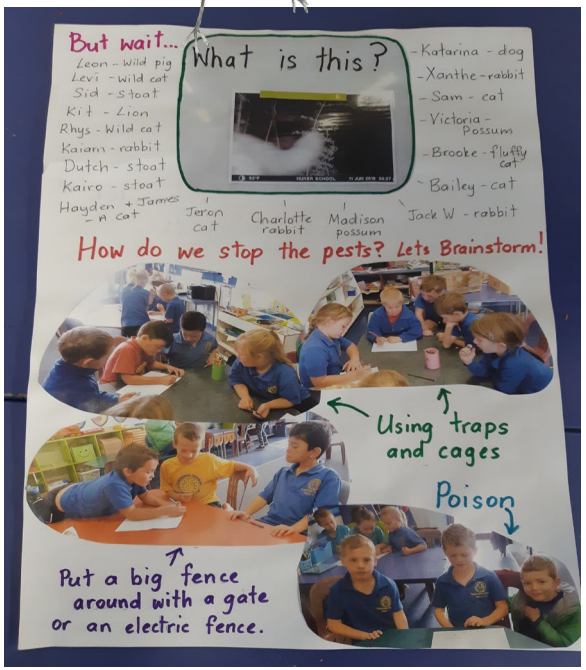


- First we put out the night camera to see what was visiting our bush area, in our school grounds.

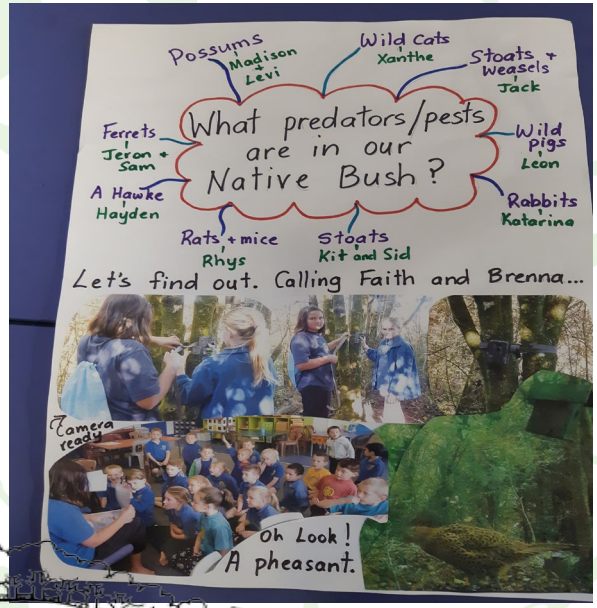
Images from our camera



Sharing our knowledge



- Room 6 were interested in what we were doing, so we took a classroom session around the night camera and trapping .



Look what we caught!
